NL PERLUCI – Componenten met stijl

PERLUCI is het merk van Quality LEDs dat zich richt op essentiële componenten voor stijlvolle verlichting. Denk aan plafondplaten in zwart, wit of de trendy zandkleur, perfect te combineren met de PERLUCI E27 pendels.

Al meer dan 10 jaar staat Quality LEDs voor kwaliteit, innovatie en duurzaamheid. Wij bieden een onderscheidend assortiment decoratieve lichtbronnen, functionele armaturen en nu ook praktische, mooi vormgegeven componenten.

Onze producten komen waar mogelijk van lokale makers. Ook bij internationale productie letten we op duurzame keuzes, zoals herbruikbare verpakkingen en minimale afvalstromen.

We zijn een betrokken partner met een glimlach. Aarzel dus niet om contact op te nemen bij vragen of advies!

FR PERLUCI – Des composants qui ont du style.

PERLUCI est la marque propre de Quality LEDs dédiée aux composants essentiels pour un éclairage élégant. Plafonniers noirs, blancs ou couleur sable très tendance, à associer avec nos suspensions E27.

Depuis plus de 10 ans, Quality LEDs incarne qualité, innovation et durabilité. Nous proposons une gamme unique de sources lumineuses décoratives, de luminaires fonctionnels et désormais aussi de composants pratiques au design soigné.

Nos produits proviennent autant que possible de fabricants locaux. Même pour la production internationale, nous privilégions des choix durables, comme des emballages réutilisables et une réduction maximale des déchets.

Nous sommes un partenaire engagé, toujours avec le sourire. N'hésitez pas à nous contacter pour toute question ou conseil !

EN PERLUCI – Components with Style

PERLUCI is the Quality LEDs brand focused on essential components for stylish lighting. Ceiling plates in black, white or trendy sand, perfect to combine with our E27 pendants.

For over 10 years, Quality LEDs has stood for quality, innovation, and sustainability. We offer a distinctive range of decorative light sources, functional fixtures, and now also practical, well-designed components.

Whenever possible, our products come from local manufacturers. Even in international production, we focus on sustainable choices like reusable packaging and minimal waste.

We're a dedicated partner with a smile. Feel free to contact us with any questions or for advice!

ES PERLUCI – Componentes con estilo

PERLUCI es la marca de Quality LEDs especializada en componentes esenciales para una iluminación con estilo. Plafones de techo en negro, blanco o en el moderno color arena, ideales para combinar con nuestras lámparas colgantes con casquillo E27.

Desde hace más de 10 años, Quality LEDs representa calidad, innovación y sostenibilidad. Ofrecemos una gama distintiva de lámparas decorativas, luminarias funcionales y ahora también componentes prácticos y con un diseño cuidado.

Siempre que es posible, colaboramos con fabricantes locales. Incluso en la producción internacional, priorizamos opciones sostenibles como embalajes reciclables y la reducción de residuos.

Somos un socio comprometido y confiable. No dude en contactarnos ante cualquier duda o consulta.

IT PERLUCI – Componenti con stile

PERLUCI è il marchio di Quality LEDs dedicato ai componenti essenziali per un'illuminazione elegante. Rosoni da soffitto disponibili in nero, bianco o nell'attuale e moderno colore sabbia, perfetti da abbinare alle nostre lampade a sospensione con attacco E27.

Da oltre 10 anni, Quality LEDs rappresenta qualità, innovazione e sostenibilità. Offriamo una gamma distintiva di lampade decorative, soluzioni funzionali e ora anche componenti pratici dal design curato.

Collaboriamo, quando possibile, con produttori locali. Scegliamo prodotti durevoli, imballaggi riciclabili e soluzioni volte alla riduzione dei rifiuti.

Siamo un partner affidabile. Non esitate a contattarci per qualsiasi domanda o consiglio!

PT PERLUCI – Componentes com estilo

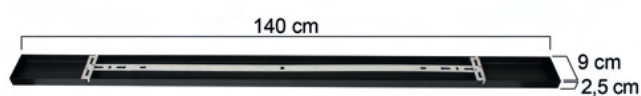

PERLUCI é a marca da Quality LEDs dedicada a componentes essenciais para uma iluminação com estilo. Placas de teto em preto, branco ou na moderna cor areia, ideais para combinar com nossos pendentes E27.

Há mais de 10 anos, a Quality LEDs representa qualidade, inovação e sustentabilidade. Oferecemos uma linha distinta de fontes de luz decorativas, luminárias funcionais e agora também componentes práticos e bem desenhados.

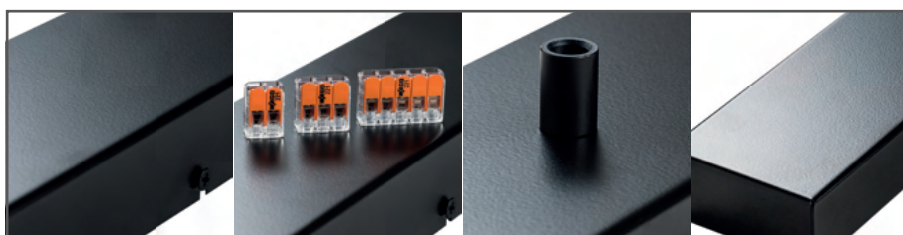

Sempre que possível, trabalhamos com produtores locais. Mesmo na produção internacional, optamos por soluções sustentáveis, como embalagens reutilizáveis e o mínimo de desperdício.

Somos um parceiro comprometido e acessível. Entre em contato conosco em caso de dúvidas ou para obter orientações!
